PRESS RELEASE

Centuri gears up for future growth - Monterro enters as strategic partner and investor

Stockholm, January 30, 2025

Centuri, a leading provider of quality management solutions (eQMS), is pleased to announce a strategic partnership with Monterro, a leading Nordic software growth investor. This partnership will create further opportunities for accelerated growth and investment in the product.

"Centuri is well-positioned in the Swedish market, with a strong customer base and a reputation for meeting the stringent regulatory requirements of the EU and international. The current regulatory landscape presents significant opportunities for growth, both domestically and internationally. We are excited to welcome Monterro as a partner on this growth journey," says Jonas Ljungwald, CEO of Centuri.

Centuri is an eQMS that ensures compliance, streamlines processes and improves quality management. The platform is easy to use, flexible and scalable to meet future needs.

Centuri was founded 25 years ago and is headquartered in Stockholm. The company has a strong presence in a range of industries, including Healthcare, Life Science, Transport, Food & Beverage and Manufacturing, where processes, documentation and traceability are of

paramount importance. Centuri has a team of 26 employees and serves over 160,000 users, demonstrating its substantial market presence.

"Centuri has great growth potential," said Leif Bohlin, Managing Director at Monterro. "The easy-to-use platform, helps customers ensure effective information management for regulatory compliance and operational risk mitigation. We are very much looking forward to working with Centuri. They are in a strong position to take the next step in their journey and accelerate international growth with their strong global offering."
